20. After the third regulation game, all points will be totaled. The two teams with the most points will go to the finals. If there is a tie in overall points, the tie will result in a tie breaker:

- Head to Head
- Goals For
- Goals Against
- Coin Toss

21. If there is a 7 goal or more differential, the team that is down may put a fourth player on the ice. All line change tag-up rules apply to the fourth player.

22. If the score becomes a four goal differential, the game will go back to 3-on-3 until there is once again a 7 goal differential.

23. The 4th man advantage resets at the half and will be instituted again if the 7 goal threshold is reached in that half

24. Each half is a 'mini' game and the team to win each half gains a point. The team who then wins the total 'points' between the two halves gains the 2 points. Max of 4 points.

25. 3rd-4th and Championship games will go into a sudden death shoot out if there is a tie after regulation play.
